The constant learning and growth that massage therapy provides personally and professionally.

4. What do you enjoy doing in your time away from work?

Gardening is my new hobby, but I also enjoy being outdoors with my dog, and all sorts of cooking & baking.

5. What do you enjoy about working with the students and teaching at WCCMT?

I really enjoy the interaction with the students in general. I learn from them as much as they learn from me. I enjoy helping them understand different concepts and I love when they have that *eureka* moment.

6. Are there any other interesting pieces of information about yourself that you would like people to know?

I'd much rather shop for kitchen or garden gadgets than clothes and I love all things Harry Potter (and Friends) !
