

Nancy Joseph

1. Where did you go school? When did you graduate?

I studied in India and was awarded Ph.D degree in Zoology in 1998. I completed the BC provincial instructor diploma in 2014.

2. What do you do for work outside of WCCMT?

Other teaching (Term instructing at the Vancouver Community College - UT Biology and A&P)

3. What inspires you about the profession of Massage Therapy?

I am not a massage therapist by profession, however, I am passionate about teaching human biology to massage therapy students.

4. What do you enjoy doing in your time away from work?

I like watching the news everyday, listening to music, and watching movies.

5. What do you enjoy about working with the students and teaching at WCCMT?

I love teaching anatomy and physiology to students of Massage Therapy and feel happy when they successfully complete the RMT program.

6. Are there any other interesting pieces of information about yourself that you would like people to know?

I love people in general and so I try to build rapport with my students so they can interact with in classroom without fear or inhibition. I believe that effective learning can occur only when a teacher understands student needs. I love site-seeing.
