

Judy Kliewer

1. Where did you go to school? When did you graduate?

I graduated from the West Coast College of Massage Therapy in New Westminster in December of 2007

2. What do you do for work outside of WCCMT? (Type of RMT practice, other teaching, etc)

I work full time as an RMT in Abbotsford at a multidisciplinary clinic. I also am a Teacher Assistant at the Boucher Institute of Naturopathic Medicine for 10 years.

3. What inspires you about the profession of Massage Therapy?

I love making patients feel better. Seeing someone come into my office in pain and stressed out and then watching them leave after an hour relaxed, happy, less/no pain makes me very proud of what our profession is able to do.

4. What do you enjoy doing in your time away from work?

I enjoy travelling, exercising (weight training, yoga), reading, being outside, being with family and friends.

5. What do you enjoy about working with the students and teaching at WCCMT?

I absolutely love watching and helping a student learn. To see the moment when something clicks for them. The students enthusiasm is what keeps me coming back.

6. Are there any other interesting pieces of information about yourself that you would like people to know?

I love gardening. Watching a plant bloom or bare fruit is very exciting.
