1.If you are an RMT, where did you go school? When did you graduate?

I went to the West Coast College of Massage Therapy and graduated in April of 2018

2.What do you do for work outside of WCCMT? (Type of RMT practice, other teaching, etc)

I work in a multidisciplinary clinic using a full body integrated approach.

3.What inspires you about the profession of Massage Therapy?

Helping those in pain and helping them feel better in their body so they can achieve active goals

4.What do you enjoy doing in your time away from work?

I enjoy doing various exercise activities that keep me moving and healthy. I also enjoy spending time with my son, wife and dog.

5.What do you enjoy about working with the students and teaching at WCCMT?

Seeing them critically thinking and guiding that process. I remember being in school and looking up to my instructors so being a role model and helping them see things they couldn't before is rewarding for me.

6.Are there any other interesting pieces of information about yourself that you would like people to know?

I enjoy meeting new people and working with them to achieve goals and working at the College gives me another job that can give me that satisfaction outside of my Massage Therapy practice.
